## PLANNING YOUR TOURNAMENT

Choose your start and tournament format from the options below, or we can customize one just for your group.

### STARTING OPTIONS

**Shotgun** – A favorite of larger groups. Teams start simultaneously on each hole. All teams can start and finish around the same time.

**Single Tee** – All teams start at the first tee and play in sequence. Each new team starts after the team ahead reaches the green.

**Double Tee** – Identical to single tee except the group divides in two. Half of the group starts on the first tee and the second half starts on the tenth tee.

## INCREDIBLE CATERING

As part of Rosen Hotels & Resorts, Shingle Creek Golf Club can offer your group banquet and catering services for everything from elegant cocktail parties and themed receptions to awards banquets and on-course boxed lunches. Add to your group's golf day with a catered event.

## GOLF PAVILION

- Adjacent to the Golf Clubhouse, A Land Remembered, Clubhouse Grille and Par-Take
- 1,900-sq.-ft. outdoor covered event patio can be expanded with pavers as needed and features a high ceiling, recessed lighting and power outlets.
- Comfortably entertains 150+ people
- Stunning golf course and hotel panorama perfect for group functions, ceremonies and weddings
- Perfect strategic location for pre- and post-golf-related events
- Stationed behind the 8th hole tee with a remarkable lengthwise view of "The Handshake"
- Next to the driving range and practice putting green—Orlando's largest

Experiences By **Hello! Destination Management**

## TOURNAMENT PLAY OPTIONS

**Scramble** – Each player hits a tee shot. The second shot is taken from the best first shot. Play continues in this way until the ball is holed. Lowest score wins.

**Individual Stroke** – Each golfer competes individually and gets a gross score. The Callaway scoring system can find the net score if there are no handicaps. The winners have the lowest (gross and net) scores.

**Best Ball** – Each player gets an individual score on each hole, but only the best score for each team is recorded.

**Stableford** – Handicaps apply as golfers play for points based on their score for each hole (Eagle=4, Birdie=3, Par=2, Bogey=1). Highest score wins.
